National Service Scheme

Annual Report Year 2022-23

The purpose of the National Service Scheme is education through public service and public service through education. If you live, you should feel like you are living in a world where you have to shed a little blood for others. The National Service Scheme is a structural system that enables students to live a social life along with academic life and motivate students to serve the country. The volunteers who join the National Service Scheme always work with the motto “Not Me But You” that is Not for me but for you.
