## **RAJARAM COLLEGE, KOLHAPUR**

### **BEST PRACTICE: II**

## **“Research Sensitization”**

### **Objectives of the Practice:**

To kindle research aptitude among the students and the faculty.

To address local and global issues through research in the emerging fields

To foster creativity and invention.

### **The Context:**

Rajaram College is basically an undergraduate college. However, the institution motivates its students and teachers to conduct research. Emphasis is laid on Interdisciplinary research for catering to the needs of neighbouring community. In order to achieve this, the college consistently strives to create congenial atmosphere for various research activities. The college has formed a separate research committee as well as Innovation and Incubation Cell for the smooth conduct and monitoring of these activities.

### **The Practice:**

The college engages its students and faculties in number of research activities through organization of workshops, seminars, conferences etc. It also encourages for participating, presenting and publishing research articles and books at National and International levels.

- 149 research papers published in various national and International Journals.
- 22 papers published in the conference proceedings.
- 278 invited talks delivered by our faculty as paper presenters, resource persons and chairpersons for the sessions.
- 07 books published.
- 02 Modules contributed
- 20 workshops / seminars have been organized by various departments in our college.

### **Activities under ‘Innovation, Incubation and IPR Cell’:**

- Telescope customized and assembled by our students and it is used for sky watching programme
- Digital herbarium prepared
- Seed ball preparation for the propagation of endemic plants by students.
- Lab scale production of biogas from tannery waste
- Bread making by phytase producer yeast for enriching nutritional quality
- Air and water pollution monitoring system for smart city
- Smart street light system developed
- Designing of walking stick for blind people

### **Promotion of Research through MoUs and Collaborations:**

- 02 MoU's and 10 collaborations with various bodies.
- Organization of District level ‘Avishkar Competition’ to expose home students to emerging research trends.

### **Evidence of Success:**

- 10 research projects funded by various funding agencies like UGC-DAE-CSIR, BARC, Mumbai, DAE- BRNS, Mumbai have been completed by our faculty members. Total grant received for this: Rs. 2353973/- by

faculty and Rs. 102050/- received by students from internal and external agencies.

- 01 student selected as incubate for a start-up programme by Shivaji University, Kolhapur
- 02 patents have been filed by our faculty members
- 02 students bagged prizes in the 'AVISHKAR' and 'ANVESHAN' research conventions.
- 52 students from various subjects have obtained doctoral degree in the last five years.
- 32 awards received by our faculty.
- 10 students received research fellowships and awards.
- Average paper UIF is 7.4 and Scopus impact factor is 6.8 during last five years.
- H- index range 01 to 25.

## **Problems Encountered and Resources Required**

- Infrastructural augmentation for advanced research necessary
- Additional Sophisticated research instruments required
- Insufficient funds for undertaking more research projects

(57) Abstract :

A platform for monitoring power loom machine is provided. The platform includes a processing subsystem. The processing subsystem include a control module, configured to receive one or more data from at least one of the plurality of looms based on a predefined set of instructions via an asynchronous communication. The processing subsystem also includes an analysis module, configured to analyse the received data by an analysing technique to enable comparison of the one or more data from the at least one of the plurality of looms and the predefined set of instructions. The processing subsystem also includes a data visualisation module, configured to generate a visualisation of an analysed data. The present disclosure of a fully automated monitoring tool of a mechanised loom provides a more efficient to compare specific factors that a user wants to compare regarding the loom machine. ### About the College:

Rajaram College, Kolhapur holds a unique position in the academic landscape of Western Region of Bombay State for more than 138 years. Founded as it was way back in 1880, the college was naturally influenced by the pre-independence ethos. Right from its inception, it catered to the needs of the common students coming from all over the states and the rural background in the vicinity of Kolhapur. The college is named after the great Maharaja of the State, His Highness Rajaram Maharaj, who had a great zest for the spread of Education. Initially, Rajaram College was housed in the Building of the old Palace of the Maharaja in the heart of the City. It was later shifted in 1968 to the present building constructed on the vast expanse of 66 acres of the campus. It was assessed and re-accredited with 'A' grade (CGPA 3.23) in 2016. Since then it has been developed in many ways keeping in view the Motto- 'Quality Education for Personality and Nationality'. It has been imparting higher education to the underprivileged and the disadvantaged sections of society. We hope to make education purposeful by making our students competent global citizens.

### Eligibility:

- Newly recruited faculty members from Universities, Colleges, NITs, IIITs, Engineering Colleges and other Institutions of Higher Education from any stream.
- As the number of participants is limited to 40, preference will be given to teachers who are due for promotion under Career Advancement Scheme (CAS).

### Registration:

Online Application Link: [www.sydenham-pmmnmmtt.itpower.in](http://www.sydenham-pmmnmmtt.itpower.in)

The participants should take a print of the duly completed Form, sign it and take recommendation of the Head of the Institution. The scanned copy of the same may be uploaded on the Registration Portal. There is no need to submit Hard Copy.

The eligible candidates will be given confirmation through e-mail two days prior to the beginning of the training. Outstation participants will be notified well in advance. All confirmed participants will have to submit the Original Application Form on the first day of the training along with the Registration Fees.

Registration Fees - Rs. 2000/- (Rupees Two Thousand Only)

### Important Notes:

- An induction programme of one month is mandatory for all newly-recruited Assistant Professors in the universities /colleges/institutions ideally before the starting of their teaching work, but definitely within one year of the recruitment of the new faculty member.
- Induction Programme under PMMMNMTT is equivalent to Orientation Programme conducted by Academic Staff Colleges.
- Induction training, being administrative in nature, will be useful for the teachers interested in taking up administrative responsibilities.
